14. [REDACTED] LIAISON Had lunch with Clark McFadden, former Counsel to the Senate Armed Services Committee. McFadden is now practicing law in Washington with Verner, Lipfert, Bernhard, McPherson and Alexander. McFadden and I discussed things that have transpired since he left the Senate Armed Services Committee, including recent functional decisions concerning the Intelligence Community, and agreed to keep in touch with one another.

15. [REDACTED] LIAISON Called Ms. Diana Huffman, on the staff of the Senate Judiciary Subcommittee on Administrative Practices and Procedures. I told her I was following up on her conversation with [REDACTED] of our office, regarding Senator James Abourezk's (D., S. Dak.) desire to have the Agency appear before the Subcommittee on 16 September as part of the Subcommittee's Freedom of Information hearings. (See Memorandum for the Record.)

16. [REDACTED] LIAISON Received a call from John Waller, IG, who said the Director had returned to him his memorandum concerning the briefing of Bill Miller, Staff Director, Senate Select Committee on Intelligence, on the [REDACTED] cases with a notation from the Director suggesting that we advise Miller that we would be happy to discuss these cases further with him if he wished. [REDACTED] is preparing a note for me on this.

17. [REDACTED] BRIEFING I called George Sousa, GAO, concerning his request for further briefings on behalf of GAO on AWACS. Sousa said Senator John Culver (D., Iowa) might wish to pursue the matter further. (See Memorandum for the Record.)

18. [REDACTED] BRIEFING Bill Goold, in the office of Representative Donald Pease (D., Ohio), called to ask for a briefing sometime this week for Mr. Pease and himself on current conditions in Uganda. Goold said he has a Top Secret clearance and gave me bio data on himself. [REDACTED] DDI/CSS, said that such a briefing could be provided this week. I referred the matter to George Cary.
